

In the Air Tonight

[Am] I can feel it [G] coming in the air to[F] night, oh [G] Lord,

[Am] I've been waiting for this [G] moment for all my [F] life, oh [G] Lord.

[Am] Can you feel it [G] coming in the air to[F] night, oh [G] Lord, oh [Am] Lord.

Well if you [Am] told me you were drowning, I [G] would not lend a hand

I've [F] seen you face before my friend

But I don't [C] know if you know who I [G] am,

[Am] but I was there, and I saw what you did, I [G] saw it with my own two eyes.

So you can [F] wipe off that grin, I know where you've been,

It's [C] all been a pack of [G] lies.

Chorus

[Am] I can feel it [G] coming in the air to[F] night, oh [G] Lord,

[Am] I've been waiting for this [G] moment for all my [F], oh [G] Lord,

[Am] Can you feel it [G] coming in the air to[F] night, oh [G] Lord,

[Am] I've been waiting for this [G] moment for all my [F] life, oh [G] Lord,

Well I re[Am]member, I remember, don't worry, [G] How could I ever forget,

It's the [F] first time, and the last time we ever [C] [G]

But I [Am] know the reason why you keep this silence up,

[G] no you can't fool me, for the [F] hurt doesn't show

But the pain still grows, it's no [C] stranger to you and [G↓] me

Short Percussive Interlude

Chorus.

Rpt. Chorus
