

Santa Claus is Covid Secure

Oh [C] his suit has been pressed, the [F] sleigh's looking pretty,
He's [C] got the go ahead from [F] professor Chris Whitty,
[C] Santa [Am] Claus is [F] covid se[C]cure [G]
When [C] he enters your house he'll [F] be a good chap,
He'll [C] check himself in on the [F] N.H.S. app,
[C] Santa [Am] Claus is [F] covid se[C]cure.

Bridge

[C] He's not displaying [F] symptoms, you've [C] got nothing to [F] fear,
Coz [D] he isolates at the [G] North Pole three [D] hundred and sixty four days [G] a year

[C] It's close to midnight, [F] the church bells chime
He's [C] late because he's washed his hands a [F] billion times,
[C] Santa [Am] Claus is [F] covid se[C]cure.

Bridge

[C] He's got new rules to [F] follow, [C] it's a difficult [F] task
But [D] he won't go down your [G] chimney with[D]out wearing a [G] mask

The [C] presents are loaded, the [F] drop offs are mapped,
His [C] mince pies are all in[F]dividually wrapped,
[C] Santa [Am] Claus is [F] covid se[C]cure. [G]

His [C] sleigh is ventilated, the [F] presents are as well
And [C] Rudolf's had his red nose rubbed in [F] antibacterial gel,
[C] Santa [Am] Claus is [F] covid se[C]cure [G]

The [C] reindeer have helped, the [F] elves played their part,
they've [C] all placed themselves two [F] metres apart,
[C] Santa [Am] Claus is [F] covid se[C]cure [G]
[C] Santa [Am] Claus is [F] covid se[C]cure [F] [C]
