

Whistle Down the Wind

C **Am C**
Whistle down the wind
C **Am C**
Let your voices carry
F
Drown out all the rain
G
Light a patch of darkness
F **C**
Tracherous and scary

C **Am C**
Howl at the stars
C **Am C**
Whisper when you're sleepy
F
I'll be there you hold you
G
I'll be there to stop
F **C**
The chills and all the weeping

Dm **C**
Make it clear and strong
G **F** **G**
So the whole night long
Dm **G**
Every signal that you send
Dm
Until the very end
C **G**
I will not abandon you my precious friend

C **Am C**
So try and stand the tide
C **Am C**
Then you'll raise a banner

F
Send a flare up in the sky
G
Try to burn a torch
C **C**
And try to build a bonfire

F
Every signal that you send
G **C**
Until the very end I'm there

F
So whistle down the wind
G **C**
For I have always been right there.....right there
